Electrical Power Outage **Sun Life Financial Centre**

Sun Life Financial Centre experienced a major electrical power outage, at both 99 Bank and 50 O'Connor, early this morning, Friday, September 13th, 2019.

We can report that the buildings' emergency power systems operated as intended.

Elevator systems at both buildings were affected. Elevator service was restored before 8 am.

99 Bank regained power by 8 am. 50 O'Connor regained power at around 9:30 am.

The source of the power interruption was in the hydro vault on the connection point in between 50 O'Connor and Hydro Ottawa Grid Power.

Hydro Ottawa has sole access to the hydro vault and they were involved with the investigation and final power-up.
